

THE
HISTORY
SOCIETY

Western University

The History Society is an organization where anyone with an interest in history, whether academically or as a hobby, can come to meet and socialize with like minded peers in a friendly environment.

Throughout the course of the academic year, we have engaged in all sorts of club activities such as history movie night, auctions, guest lectures, trivia night, and a club field trip.

We are also excited to work with The Mirror Canada's Oldest Undergraduate History Journal.
