

WHAT IS THE ASA?

The "Western Arab Students' Association" is a Western club that unites students through the Arab culture. The Arab Students' Association is a place to learn about our culture, meet new people, and contribute to the community.

DIVERSITY IS OUR UNITY.

Within the Arab world, there are 22 different countries, each of which has its own traditions, and values. With this diversity, we can leverage differences to empower each other.

The ASA is not affiliated with one culture, religion, or region. Instead, we welcome diversity in thought, perspective, and background.
