

Western University

AIR

**Social Events, Trivia Nights,
Mentor Programs
and More!**

Looking to get more Involved?

AIR needs your help to promote the IR program to all years. We will be recruiting first to third-year commissioners to join the AIR family and making meaningful connections with like-minded people.

Interested in Politics and Global Affairs?

AIR facilitates discussion and learning about international relations by hosting IR-related speakers and holding dinner events for students to discuss amongst themselves and with their IR professors

The Association of International Relations
