

## Who are we ?

Autism Awareness Western aims to educate Western constituents on Autism, along with engaging Autistic individuals at western and the greater London area.

## What do we do ?

Our club aims to provide an environment for students to collaboratively work towards removing the social stigma associated with Autism, as well as supporting individuals on the spectrum through planning sensory-friendly evnets.

## Goals ?

We hope to provide a safe and inclusive environment where members can learn about Autism, while promoting understandand acceptance!
