Hello from the Western CANFAR Team!

Who are we?

CANFAR is an organization that aims to end Canada's HIV endemic by leading strategies to increase prevention, testing, treatment and to end HIV stigma.

What do we do?

At Western, our goal is to fundraise and raise awareness to end the stigma around HIV. We do this through fundraisers to support research, educational booths, and research conferences.

Why you should join:

In addition to funding valuable research, we have many executive and VP positions available for you to develop as a leader! Stay tuned to our social medias for info on applications, meetings and events!
