

# CHARITY CHORDS

Charity Chords  
brings together  
two things we  
love on campus:  
music and  
charity!

**@charitychords**

We hold coffee houses, open mic nights and music speaker series with all proceeds going to charity, combating important issues such as sustainability and sexual violence.

If you play any instrument, and are looking for a community to share your love of music, Charity Chords is for you!

We have members from all faculties, instruments, and skill levels.
