

# ENVELOPE FOR JOY

EnJoy is a charity-focused club that aims to spread positivity and joy both locally and abroad through international penpals and other initiatives

## WE DO THIS THROUGH:

### Penpal Program

- We write to impoverished children around the world to provide emotional support, spread positivity, and learn about other cultures.
- We have written to children in South Korea, Kenya, Uganda, Peru, Dominican Republic and more!

### Local Events

- In past years we have worked with Mount Hope where we have a card-making session with the seniors.
- We also hold card-making workshops in which we make cards to sell on campus donating the proceeds to select charities.

**JOIN US! WE WOULD LOVE TO  
HAVE YOU**
