

## OUR GOAL:

Supporting, volunteering, and advocating for food bank workers to alleviate stress on local food banks.

Improving food systems through the promotion of local eateries and encouraging cooking to increase the sustainability of food systems.

## VOLUNTEERING WITH ARK AID

## TRICK OR EAT

## EAT THINK VOTE

Volunteer at local soup kitchens to support communities in need of food security.

Go door-to-door to gather non-perishable food items and donate them to food support services.

A Bi-Partisan debate on food security issues between MP-candidates.
