

# WESTERN FOR OOCH

---

Western for Ooch is a student-run club affiliated with Camp Oochigeas and Trillium, camps for children with cancer. We strive to bring individuals from all different backgrounds, camp and non-camp alike, together to create a community on campus with the common goal of having fun and promoting camp spirit. Through exciting and interactive camp-themed programming like camp crafts, sing-alongs, trivia, photo booths, and more, we aim to raise funds and awareness for Camp Oochigeas and Trillium while helping to put the camp in campus!

## THREE PILLARS

### Camp Spirit and Community

We are one big family, passionate about camp and life. This club is a place to make friends and form relationships beyond your field of study.

### Fundraising and Events

We like to have fun, and raise money doing it! Online or in-person, we run camp-inspired events to support a cause we can all get behind.

### Awareness and Outreach

Through inter-club relations and sharing our message with everyone we meet, more people know about Camp Ooch, and we give them an opportunity to make an impact.
