**LOOKING TO LEAD THE  
NEXT GENERATION OF  
MANUFACTURING? JOIN  
OUR EXECUTIVE TEAM!**

Open Executive  
Positions:

- VP Marketing
- VP Events
- VP Finance

Are you interested in 3D Printers,  
3D Modelling, Computer Assisted  
Design, or Slicers?

# JOIN TODAY!

3D Western aims to simplify CAD (computer-aided design), slicing, and 3D printing for even the most inexperienced students to understand and develop their skills for medicine, engineering, art, and beyond.

Club activities include the design and construction of our own 3D printers, annual charity drives, and design competitions!
