

**We
Are
GDS**

[Join Our Discord](#)

Hi There!

Welcome to the Western Game Design Society (GDS)!

We are a community for discussion about the creation of games, but most importantly:

**We Make
Games!**

Events

Game Development Groups

Join a group of like-minded students and work like a mini game studio!

Workshop

Learn new skills in all aspects of game development in workshops!

Game Jams

Create a game in a short commitment jam while working along side or with students!

Meet-ups + Socials

Meet a diverse community of people all interested in games! Show off your work or come see what others are working on!

*No matter your
background.*

*No matter what
skills you have.*

*We want you to
come join us!*
